§ 1596.60. Definitions

For the purposes of this chapter, the following definitions shall apply:

(a) "Department" means the State Department of Social Services.

(b) "Director" means the Director of Social Services.

(c) "Trustline provider," "license exempt child care provider," or "provider," for the purposes of this chapter means a person 18 years of age or older who provides child care, supervision, or any person providing in-home educational or counseling service to a minor, and who is not required to be licensed pursuant to Section 1596.792.

§ 1596.601. Initiation of background examination to be trustline provider; required identification cards.

Any child care provider who possesses any one of the following identification cards may initiate a background examination to be a trustline provider:

(a) A valid California driver's license.

(b) A valid identification card issued by the Department of Motor Vehicles.

(c) A valid Alien Registration Card.

(d) In the case of a person living in a state other than California, a valid numbered photo identification card issued by an agency of the state other than California.

§ 1596.603. Submission of fingerprints; criminal history check by Department of Justice

(a) Each person initiating a background examination to be a trustline provider shall either obtain two sets of fingerprints from a law enforcement agency or other local agency on a fingerprint card authorized by the Department of Justice and shall submit the fingerprints, or send his or her fingerprints to the Department of Justice by electronic transmission in a manner approved by the department, unless exempted in subdivision (e), and a completed trustline application to the department, or the local child care resource and referral agency which will immediately forward the application package to the department. The agency taking the fingerprints shall inscribe the serial number from the identification card described in Section 1596.601 on the fingerprint cards.

(b) A law enforcement agency or other local agency authorized to take fingerprints may charge a reasonable fee to offset the costs of fingerprinting for the purposes of this chapter.

(c) Upon receipt, the department shall transmit the fingerprint card and a copy of the application to the Department of Justice. The Department of Justice shall use the fingerprints and the application to search the state and Federal Bureau of Investigation criminal history information pursuant to Section 1596.871 and the automated child abuse system pursuant to subdivision (b) of Section 1596.877.

(d) A person who is a current licensee or employee in a facility licensed by the department need not submit fingerprints to the department and may transfer their criminal record clearance pursuant to subdivision (h) of Section 1596.871. The person shall instead submit to the department, along with the person's application, a copy of the person's identification card described in Section 1596.601 and sign a declaration verifying the person's identity. A willful false declaration is a violation of this subdivision punishable in the same manner as provided under Section 1596.890.

§ 1596.605. TrustLine Registry; criminal history check

(a)(1) The department shall establish a trustline registry pursuant to this chapter and shall continuously update the registry information. Upon submission of the trustline application and fingerprints or other identification documents pursuant to either subdivision (a) or (e) of Section 1596.603, the department shall enter into the trustline registry the provider's name, identification card number, and an indicator that the provider has submitted an application and fingerprints or identification documentation. This provider shall be known as a "trustline applicant."

(2) A person shall not be entitled to apply to be a trustline provider and shall have his or her application returned without the right to appeal if the provider would not be eligible to obtain a child care license pursuant to Section 1596.851.

(b)(1) Before approving the person's application, the department shall check the individual criminal history pursuant to Section 1596.871 and against the child abuse index pursuant to subdivision (b) of Section 1596.877. Upon completion of the searches of the state summary criminal history information and the child abuse index, and, if applicable, the records of the Federal Bureau of Investigation, the department shall grant the trustline application if grounds do not exist for denial pursuant to Section 1596.607 and the department shall enter that finding in the provider's record in the trustline registry and shall notify the provider of the action. This provider shall be known as a "registered trustline child care provider."

(2) The department may transfer the criminal record clearance granted to a registered trustline child care provider and hold the registered trustline child care provider's criminal record clearance in its active files pursuant to subdivision (h) of Section 1596.871.

§ 1596.607. Denial of application; grounds; appeal

(a)(1) If the department finds that the trustline applicant has been convicted of a crime, other than a minor traffic violation, the department shall deny the application, unless the director grants an exemption pursuant to subdivision (f) of Section 1596.871.

(2) If the department finds that the trustline applicant has an arrest as described in subdivision (a) of Section 1596.871, the department may deny the application if the trustline applicant may pose a risk to the health and safety of any person who is or may become a client and the department complies with subdivision (e) of Section 1596.871.

(3) The department shall comply with the requirements of Section 1596.877 and may deny the application of a trustline applicant for substantiated child abuse that may pose a threat to the health and safety of any person who is or may become a client.

(4) The department may deny the application for registration of the trustline applicant if it discovers that it had previously revoked a license or certificate to be a certified family home held by the trustline applicant or excluded the trustline applicant from a licensed facility.

(5) The department may deny the application for registration of the trustline applicant if it discovers that it had previously denied the trustline applicant's application for a license from the department or certificate of approval to be a certified family home.

(b)(1) If, the department denies registration pursuant to subdivision (a), it shall advise the provider of the right to appeal. The provider shall have 15 days to appeal the denial.

(2) Upon receipt by the department of the appeal, the appeal shall be set for hearing. The hearing shall be conducted in accordance with Section 1596.887.

§ 1596.608. Revocation of trustline registration; grounds; forfeiture of registration

(2) The trustline provider has been denied employment, residence, or presence in a facility based on action resulting from an administrative hearing pursuant to Section 1558, 1568.092, 1569.58, or 1596.8897.

(3) The trustline provider fails to maintain a current mailing address with the department.

§ 1596.61. Fees; interagency agreement for transfer of funds

(a) The department may charge a fee to a trustline applicant. The department may enter into an interagency agreement for the purpose of transferring funds to offset the costs incurred by the California Child Care Resource and Referral Network to implement the trustline program pursuant to this chapter.

(b) The maximum fee shall not exceed the total actual costs of all of the following:

(1) The searches of the state summary criminal history information and the child abuse index performed by the Department of Justice. The cost to check the criminal history information shall not subsidize the cost to check the criminal history of other persons by the State Department of Social Services who are not charged a fee by the Department of Justice.

(2) The cost incurred by the Department of Justice for the searches of the records of the Federal Bureau of Investigation.

(3) The information and technical assistance provided by the California Child Care Resource and Referral Network to parents, providers, and employment agencies.

(4) The implementation by the local child care resource and referral programs of the trustline program.

(5) The cost to the department to process the applications and maintain the trustline registry.

§ 1596.615. Funding; continuous appropriation

All moneys collected by the department to implement this chapter shall, notwithstanding Section 13340 of the Government Code, be continuously appropriated to the department without regard to fiscal year for expenditure pursuant to this chapter.

§ 1596.62. Index of child abuse reports and pertinent criminal convictions; provision of continually updated records; liability

(a)(1) The Department of Justice shall maintain and continually update an index of reports of child abuse by, and pertinent criminal convictions of, providers and shall inform the department of subsequent reports received from the child abuse index pursuant to Section 11170 of the Penal Code and the criminal history. The department shall continually update the trustline registry pursuant to the actions required in Section 1596.607.

§ 1596.871. Fingerprints and criminal record information of individuals in contact with child day care facility clients; exemptions; criminal records clearances

The Legislature recognizes the need to generate timely and accurate positive fingerprint identification of applicants as a condition of issuing licenses, permits, or certificates of approval for persons to operate or provide direct care services in a child care center or family child care home. It is the intent of the Legislature in enacting this section to require the fingerprints of those individuals whose contact with child day care facility clients may pose a risk to the children's health and safety. An individual shall be required to obtain either a criminal record clearance or a criminal record exemption from the State Department of Social Services before his or her initial presence in a child day care facility.

(a)(1) Before issuing a license or special permit to any person to operate or manage a day care facility, the department shall secure from an appropriate law enforcement agency a criminal record to determine whether the applicant or any other person specified in subdivision (b) has ever been convicted of a crime other than a minor traffic violation or arrested for any crime specified in subdivision (c) of Section 290 of the Penal Code, for violating Section 245 or 273.5, subdivision (b) of Section 273a or, prior to January 1, 1994, paragraph (2) of Section 273a of the Penal Code, or for any crime for which the department cannot grant an exemption if the person was convicted and the person has not been exonerated.

(2) The criminal history information shall include the full criminal record, if any, of those persons, and subsequent arrest information pursuant to Section 11105.2 of the Penal Code.

(3) Except during the 2003-04 fiscal, 2004-05, 2005-06, 2006-07, and 2007-08 fiscal years, neither the Department of Justice nor the department may charge a fee for the fingerprinting of an applicant who will serve six or fewer children or any family day care applicant for a license, or for obtaining a criminal record of an applicant pursuant to this section.

(4) The following shall apply to the criminal record information:

(A) If the State Department of Social Services finds that the applicant or any other person specified in subdivision (b) has been convicted of a crime, other than a minor traffic violation, the application shall be denied, unless the director grants an exemption pursuant to subdivision (f).

(B) If the State Department of Social Services finds that the applicant, or any other person specified in subdivision (b), is awaiting trial for a crime other than a minor traffic violation, the State Department of Social Services may cease processing the application until the conclusion of the trial.

(C) If no criminal record information has been recorded, the Department of Justice shall provide the applicant and the State Department of Social Services with a statement of that fact.

(D) If the State Department of Social Services finds after licensure that the licensee, or any other person specified in paragraph (2) of subdivision (b), has been convicted of a crime other than a minor traffic violation, the license may be revoked, unless the director grants an exemption pursuant to subdivision (f).

(E) An applicant and any other person specified in subdivision (b) shall submit fingerprint images and related information to the Department of Justice, and the Federal Bureau of Investigation, through the Department of Justice for a state and federal level criminal offender record information search, in addition to the search required by subdivision (a). If an applicant meets all other conditions for licensure, except receipt of the Federal Bureau of Investigation's criminal history information for the applicant and persons listed in subdivision (b), the department may issue a license if the applicant and each person described by subdivision (b) has signed and submitted a statement that he or she has never been convicted of a crime in the United States, other than a traffic infraction as defined in paragraph (1) of subdivision (a) of Section 42001 of the Vehicle Code. If, after licensure, the department determines that the licensee or person specified in subdivision (b) has a criminal record, the license may be revoked pursuant to Section 1596.885. The department may also suspend the license pending an administrative hearing pursuant to Section 1596.886.

(b)(1) In addition to the applicant, this section shall be applicable to criminal convictions of the following persons:

(A) Adults responsible for administration or direct supervision of staff.

(B) Any person, other than a child, residing in the facility.

(C) Any person who provides care and supervision to the children.

(D) Any staff person, volunteer, or employee who has contact with the children.

(i) A volunteer providing time-limited specialized services, shall be exempt from the requirements of this subdivision if this person is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption, the volunteer spends no more than 16 hours per week at the facility, and the volunteer is not left alone with children in care.

(ii) A student enrolled or participating at an accredited educational institution shall be exempt from the requirements of this subdivision if the student is directly supervised by the licensee or a facility employee with a criminal record clearance or exemption, the facility has an agreement with the educational institution concerning the placement of the student, the student spends no more than 16 hours per week at the facility, and the student is not left alone with children in care.

(iii) A volunteer who is a relative, legal guardian, or foster parent of a client in the facility shall be exempt from the requirements of this subdivision.

(iv) A contracted repair person retained by the facility, if not left alone with children in care, shall be exempt from the requirements of this subdivision.

(v) Any person similar to those described in this subdivision, as defined by department in regulations.

(E) If the applicant is a firm, partnership, association, or corporation, the chief executive officer, other person serving in like capacity, or a person designated by the chief executive officer as responsible for the operation of the facility, as designated by the applicant agency.

(F) If the applicant is a local educational agency, the president of the governing board, the school district superintendent, or a person designated to administer the operation of the facility, as designated by the local educational agency.

(G) Additional officers of the governing body of the applicant, or other persons with a financial interest in the applicant, as determined necessary by the department by regulation. The criteria used in the development of these regulations shall be based on the person's capability to exercise substantial influence over the operation of the facility.

(H) This section does not apply to employees of child care and development programs under contract with the State Department of Education who have completed a criminal record clearance as part of an application to the Commission on Teacher Credentialing, and who

possess a current credential or permit issued by the commission, including employees of child care and development programs that serve both children subsidized under, and children not subsidized under, a State Department of Education contract. The Commission on Teacher Credentialing shall notify the department upon revocation of a current credential or permit issued to an employee of a child care and development program under contract with the State Department of Education.

(l) This section does not apply to employees of a child care and development program operated by a school district, county office of education, or community college district under contract with the State Department of Education who have completed a criminal record clearance as a condition of employment. The school district, county office of education, or community college district upon receiving information that the status of an employee's criminal record clearance has changed shall submit that information to the department.

(2) Nothing in this subdivision shall prevent a licensee from requiring a criminal record clearance of any individuals exempt from the requirements under this subdivision.

(c)(1)(A) Subsequent to initial licensure, any person specified in subdivision (b) and not exempted from fingerprinting shall, as a condition to employment, residence, or presence in a child day care facility be fingerprinted and sign a declaration under penalty of perjury regarding any prior criminal conviction. The licensee shall submit fingerprint images and related information to the Department of Justice and the Federal Bureau of Investigation, through the Department of Justice or to comply with paragraph (1) of subdivision (h), prior to the person's employment, residence, or initial presence in the child day care facility.

(B) These fingerprint images for the purpose of obtaining a permanent set of fingerprints shall be electronically submitted to the Department of Justice in a manner approved by the State Department of Social Services and to the Department of Justice, or to comply with paragraph (1) of subdivision (h), as required in this section, shall result in the citation of a deficiency, and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation*** per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or Section 1596.886. The State Department of Social Services may assess civil penalties for continued violations permitted by Sections 1596.99 and 1597.62. The fingerprint images and related information shall then be submitted to the department for processing. Within 14 calendar days of the receipt of the fingerprint images, the Department of Justice shall notify the State Department of Social Services of the criminal record information, as provided in this subdivision. If no criminal record information has been recorded, the Department of Justice shall provide the licensee and the State Department of Social Services with a statement of that fact within 14 calendar days of receipt of the fingerprint images. If new fingerprint images are required for processing, the Department of Justice shall, within 14 calendar days from the date of receipt of the fingerprint images, notify the licensee that the fingerprints were illegible.

(C) Documentation of the individual's clearance or exemption shall be maintained by the licensee, and shall be available for inspection. When live-scan technology is operational, as defined in Section 1522.04, the Department of Justice shall notify the department, as required by that section, and notify the licensee by mail within 14 days of electronic transmission of the fingerprints to the Department of Justice, if the person has no criminal record. Any violation of the regulations adopted pursuant to Section 1522.04 shall result in the citation of a deficiency and an immediate assessment of civil penalties in the amount of one hundred dollars (\$100) per violation*** per day for a maximum of five days, unless the violation is a second or subsequent

violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred dollars (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or 1596.886. The department may assess civil penalties for continued violations, as permitted by Sections 1596.99 and 1597.62.

(2) Except for persons specified in paragraph (2) of subdivision (b), the licensee shall endeavor to ascertain the previous employment history of persons required to be fingerprinted under this subdivision. If it is determined by the department, on the basis of fingerprints submitted to the Department of Justice, that the person has been convicted of a sex offense against a minor, an offense specified in Section 243.4, 273a, 273d, 273g, or 368 of the Penal Code, or a felony, the State Department of Social Services shall notify the licensee to act immediately to terminate the person's employment, remove the person from the child day care facility, or bar the person from entering the child day care facility. The department may subsequently grant an exemption pursuant to subdivision (f). If the conviction was for another crime except a minor traffic violation, the licensee shall, upon notification by the State Department of Social Services, act immediately to either (1) terminate the person's employment, remove the person from the child day care facility, or bar the person from entering the child day care facility; or (2) seek an exemption pursuant to subdivision (f). The department shall determine if the person shall be allowed to remain in the facility until a decision on the exemption is rendered. A licensee's failure to comply with the department's prohibition of employment, contact with clients, or presence in the facility as required by this paragraph shall result in a citation of deficiency and an immediate assessment of civil penalties by the department against the licensee, in the amount of one hundred dollars (\$100) per violation*** per day for a maximum of five days, unless the violation is a second or subsequent violation within a 12-month period in which case the civil penalties shall be in the amount of one hundred (\$100) per violation for a maximum of 30 days, and shall be grounds for disciplining the licensee pursuant to Section 1596.885 or 1596.886.

(3) The department may issue an exemption on its own motion pursuant to subdivision (f) if the person's criminal history indicates that the person is of good character based on the age, seriousness, and frequency of the conviction or convictions. The department, in consultation with interested parties, shall develop regulations to establish the criteria to grant an exemption pursuant to this paragraph.

(4) Concurrently with notifying the licensee pursuant to paragraph (3), the department shall notify the affected individual of his or her right to seek an exemption pursuant to subdivision (f). The individual may seek an exemption only if the licensee terminates the person's employment or removes the person from the facility after receiving notice from the department pursuant to paragraph (3).

(d)(1) For purposes of this section or any other provision of this chapter, a conviction means a plea or verdict of guilty or a conviction following a plea of nolo contendere. Any action that the department is permitted to take following the establishment of a conviction may be taken when the time for appeal has elapsed, or the judgment of conviction has been affirmed on appeal or when an order granting probation is made suspending the imposition of sentence, notwithstanding a subsequent order pursuant to Sections 1203.4 and 1203.4a of the Penal Code permitting the person to withdraw his or her plea of guilty and to enter a plea of not guilty, or setting aside the verdict of guilty, or dismissing the accusation, information, or indictment. For purposes of this section or any other provision of this chapter, the record of a conviction, or a copy thereof certified by the clerk of the court or by a judge of the court in which the conviction occurred, shall be conclusive evidence of the conviction. For purposes of this section or any other provision of this chapter, the arrest disposition report certified by the Department of

Justice, or documents admissible in a criminal action pursuant to Section 969b of the Penal Code, shall be prima facie evidence of conviction, notwithstanding any other provision of law prohibiting the admission of these documents in a civil or administrative action.

(2) For purposes of this section or any other provision of this chapter, the department shall consider criminal convictions from another state or federal court as if the criminal offense was committed in this state.

(e) The State Department of Social Services may not use a record of arrest to deny, revoke, or terminate any application, license, employment, or residence unless the department investigates the incident and secures evidence, whether or not related to the incident of arrest, that is admissible in an administrative hearing to establish conduct by the person that may pose a risk to the health and safety of any person who is or may become a client. The State Department of Social Services is authorized to obtain any arrest or conviction records or reports from any law enforcement agency as necessary to the performance of its duties to inspect, license, and investigate community care facilities and individuals associated with a community care facility.

(f)(1) After review of the record, the director may grant an exemption from disqualification for a license or special permit as specified in paragraphs (1) and (4) of subdivision (a), or for employment, residence, or presence in a child day care facility as specified in paragraphs (3), (4), and (5) of subdivision (c) if the director has substantial and convincing evidence to support a reasonable belief that the applicant and the person convicted of the crime, if other than the applicant, are of good character so as to justify issuance of the license or special permit or granting an exemption for purposes of subdivision (c). However, an exemption may not be granted pursuant to this subdivision if the conviction was for any of the following offenses:

(A) An offense specified in Section 220, 243.4, or 264.1, subdivision (a) of Section 273a or, prior to January 1, 1994, paragraph (1) of Section 273a, Section 273d, 288, or 289, subdivision (c) of Section 290, or Section 368 of the Penal Code, or was a conviction of another crime against an individual specified in subdivision (c) of Section 667.5 of the Penal Code.

(B) A felony offense specified in Section 729 of the Business and Professions Code or Section 206 or 215, subdivision (a) of Section 347, subdivision (b) of Section 417, or subdivision (a) or (b) of Section 451 of the Penal Code.

(2) The department shall not prohibit a person from being employed or having contact with clients in a facility on the basis of a denied criminal record exemption request or arrest information unless the department complies with the requirements of Section 1596.8897.

(g) Upon request of the licensee, who shall enclose a self-addressed stamped postcard for this purpose, the Department of Justice shall verify receipt of the fingerprint images.

(h)(1) For the purposes of compliance with this section, the department may permit an individual to transfer a current criminal record clearance, as defined in subdivision (a), from one facility to another, as long as the criminal record clearance has been processed through a state licensing district office, and is being transferred to another facility licensed by a state licensing district office. The request shall be in writing to the department, and shall include a copy of the person's driver's license or valid identification card issued by the Department of Motor Vehicles, or a valid photo identification issued by another state or the United States government if the person is not a California resident. Upon request of the licensee, who shall enclose a self-addressed stamped envelope for this purpose, the department shall verify whether the individual has a clearance that can be transferred.

(2) The State Department of Social Services shall hold criminal record clearances in its active files for a minimum of two years after an employee is no longer employed at a licensed facility in order for the criminal record clearances to be transferred.

(3) The following shall apply to a criminal record clearance or exemption from the department or a county office with department-delegated licensing authority:

(A) A county office with department-delegated licensing authority may accept a clearance or exemption from the department.

(B) The department may accept a clearance or exemption from any county office with department-delegated licensing authority.

(C) A county office with department-delegated licensing authority may accept a clearance or exemption from any other county office with department-delegated licensing authority.

(A) The Department of Justice shall process a request from the department or a county office with department-delegated licensing authority to receive the notice, only if all of the following conditions are met:

(i) The request shall be submitted to the Department of Justice by the agency to be substituted to receive the notification.

(ii) The request shall be for the same applicant type as the type for which the original clearance was obtained.

(iii) The request shall contain all prescribed data elements and format protocols pursuant to a written agreement between the department and the Department of Justice.

(B)(i) On or before January 7, 2005, the department shall notify the Department of Justice of all county offices that have department-delegated licensing authority.

(ii) The department shall notify the Department of Justice within 15 calendar days of the date on which a new county office receives department-delegated licensing authority or a county's delegated licensing authority is rescinded.

(C) The Department of Justice shall charge the department or a county office with department-delegated licensing authority a fee for each time a request to substitute the recipient agency is received for purposes of this paragraph. This fee shall not exceed the cost of providing the service.

(i) Notwithstanding any other provision of law, the department may provide an individual with a copy of his or her state or federal level criminal offender record information search response as provided to that department by the Department of Justice if the department has denied a criminal background clearance based on this information and the individual makes a written request to the department for a copy specifying an address to which it is to be sent. The state or federal level criminal offender record information search response shall not be modified or altered from its form or content as provided by the Department of Justice and shall be provided to the address specified by the individual in his or her written request. The department shall retain a copy of the individual's written request and the response and date provided.

§ 1596.8712 Exclusion of individual from licensed family day care home; notice

(a)(1) Whenever an individual is excluded by the department from a licensed family day care home, the department shall prepare and provide to the licensed family day care home from which the individual was excluded, within 45 days, an addendum to the notification of parent's rights form required by Section 102419 of Title 22 of the California Code of Regulations, clearly identifying the name or names of any individual or individuals who have been excluded from the licensed family

day care home. The addendum shall also identify the existence and location of a public file maintained by the department explaining the reason for the exclusion.

(2) The department shall revise the addendum if the excluded individual is reinstated by the department pursuant to Section 11522 of the Government Code.

(b)(1) Immediately upon receipt of an addendum from the department, the licensee shall provide the parent or guardian of each child under the licensee's care or supervision with a copy of the addendum identifying the excluded individual or individuals. The licensee shall also obtain the signature of the parent or guardian indicating that the parent or guardian has received a copy of the addendum. A signed copy of the addendum shall be provided to the parent or guardian, and the original signed addendum shall be retained by the licensed day care home provider, and provided to the department during the regular inspection of the home, or at any time upon request of the department.

(2) This section shall apply to all children currently under the licensee's care or supervision, and to all children who come under the licensee's care or supervision after the implementation of this section.

(c) During its regular inspection of all licensed family day care homes where an individual or individuals have been excluded, the department shall verify that the licensee has obtained a signature from the parent or guardian of each child under the licensee's care or supervision indicating that the parent or guardian has been provided with the addendum identifying the excluded individual or individuals. The department may also request the signed addenda from the licensee at any time.

(d) A licensee shall be assessed an immediate civil penalty of one hundred dollars (\$100) per violation, for failure to do any of the following:

(2) Obtain a parent or guardian's signature indicating he or she has been provided with the addendum.

(3) Provide signed addenda to the department, when requested for all children under the provider's care.

(e) Failure to comply with this section shall constitute grounds for disciplining the licensee pursuant to Section 1596.885 or Section 1596.886.

(f) This section shall apply to any family day care home from which an individual is excluded after January 1, 2001.

(g) The Department shall promulgate regulations and policies, as necessary, to implement the provisions of this section by January 1, 2002.

§ 1596.876. Release of minor to peace officer; provision of address and phone number of parent or guardian

In any case in which a child day care facility releases a minor to a peace officer pursuant to Section 305 of the Welfare and Institutions Code, the official in charge of that facility shall provide the peace officer with the address and telephone number of the minor's parent or guardian in order to enable the peace officer to make the notification required by Section 308 of the Welfare and Institutions Code.

§ 1596.877. Child abuse and neglect complaints; check of records; investigation of reports

(a) Prior to granting a license to, or otherwise approving, any family day care home, the department shall check the child abuse and neglect complaint records of the child protective services agency of the county in which the applicant has resided for the two years preceding the application.

(b) Prior to granting a license to or otherwise approving any individual to care for children in either a family day care home or a day care center, the department shall check the Child Abuse Registry pursuant to paragraph (3) of subdivision (b) of Section 11170 of the Penal Code. The Department of Justice shall maintain and continually update an index of reports of child abuse by providers and shall inform the department of subsequent reports received from the child abuse index pursuant to Section 11170 of the Penal Code and the criminal history.

(c) The department shall investigate any reports received from the Child Abuse Registry and investigate any information received from the county child protective services agency. However, child protective services agency information arising from a report designated as "unfounded," as defined pursuant to subdivision (a) of Section 11165.12 of the Penal Code, shall not be included in the investigation. The investigation shall include, but not be limited to, the review of the investigation report and file prepared by the child protective services agency that investigated the child abuse report. The department shall not deny a license based upon a report from the Child Abuse Registry or based on child abuse and neglect complaint records of the county child protective services agency unless child abuse is substantiated.

(d) On and after January 1, 1993, the department shall implement this section for records maintained by counties that have automated their child abuse and neglect complaint records on or before January 1, 1993. On and after July 1, 1993, the department shall implement this section for records maintained by all counties.

§ 1596.878. Establishment, administration and monitoring of program

The department shall establish, administer, and monitor programs which license child day care facilities consistent with the provisions of this act.

§ 1596.879. Denial of application or permit; notice and hearing

Immediately upon the denial of any application for a license or for a special permit, the department shall notify the applicant in writing. Within 15 days after the department mails the notice, the applicant may present his or her written petition for a hearing to the department. Upon receipt by the department of the petition, the petition shall be set for hearing. The hearing shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the department has all the powers granted in that chapter.

Employees shall be notified in writing at the time of employment of their rights under this chapter, as evidenced by their signature on a notification form outlining actions protected by this section. Forms to be utilized for this purpose shall be kept on file at the facility. The department shall provide each facility with the notification forms, which shall include information regarding enforcement pursuant to relevant Labor Code sections.

"Other laws" for the purposes of this section, includes, but is not limited to, laws relating to staff-child ratios, transportation of children, or child abuse.

§ 1596.882. Employee enforcement of law or refusal to violate law; disposition of claims

(a) A claim by the employee alleging the violation by the employer of Section 1596.881 shall be presented to the employer within 45 days after the action as to which complaint is made and presented to the Division of Labor Standards Enforcement not later than 90 days after the action as to which complaint is made.

(b) Upon receipt of the complaint, the Division of Labor Standards Enforcement shall cause whatever investigation to be made as it deems appropriate.

(c) If upon investigation the Division of Labor Standards Enforcement determines that the employer has violated Section 1596.881, it shall bring an action in any appropriate court against the employer.

(d) In any such action, the court shall have jurisdiction, for cause shown, to issue restraining orders and order all appropriate relief, including rehiring and reinstatement of the employee of his or her former position with back pay and benefits.

(e) Within 30 days of the receipt of a complaint pursuant to this section, the Division of Labor Standards Enforcement shall review the facts of the employee's complaint and either set a hearing date or notify the employee and the employer of its decision. Where necessary, the Division of Labor Standards Enforcement shall begin the appropriate court action to enforce the decision.

(f) Except for any grievance procedure or arbitration or hearing that is available to the employee pursuant to a collective bargaining agreement, this section is the exclusive means for presenting claims under this article.

§ 1596.883. Refusal to rehire, promote, or restore eligible employee; misdemeanor

Any employer who willfully refuses to rehire, promote, or otherwise restore an employee or former employee who has been determined to be eligible for the rehiring or promotion by a grievance procedure, arbitration, or hearing authorized by law, is guilty of a misdemeanor.

ARTICLE 4. SUSPENSION AND REVOCATION

§ 1596.885. Denial, suspension or revocation of licenses, registration, or special permits; grounds

The department may deny an application for or suspend or revoke any license, registration, or special permit issued under this act upon any of the following grounds and in the manner provided in this act:

(a) Violation by the licensee, registrant, or holder of a special permit of this act or of the rules and regulations promulgated under this act.

(b) Aiding, abetting, or permitting the violating of this act or of the rules and regulations promulgated under this act.

(c) Conduct which is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility or the people of this state.

(d) The conviction of a licensee, or other person specified in Section 1596.871, at any time before or during licensure, of a crime as defined in Section 1596.871.

(e) Engaging in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services for the care of clients.

§ 1596.886. Temporary suspension

The director may temporarily suspend any license, registration, or special permit prior to any hearing when, in the opinion of the director, the action is necessary to protect any child of a child day care facility from physical or mental abuse, abandonment, or any other substantial threat to health or safety. The director shall notify the licensee, registrant, or holder of the special permit of the temporary suspension and the effective date thereof and at the same time shall serve the provider with an accusation. Upon receipt of a notice of defense to the accusation by the licensee, registrant, or holder of the special permit, the director shall, within 15 days, set the matter for hearing, and the hearing shall be held as soon as possible but not later than 30 days after receipt of the notice. The temporary suspension shall remain in effect until such time as the hearing is completed and the director has made a final determination on the merits. However, the temporary suspension shall be deemed vacated if the director fails to make a final determination on the merits within 30 days after the original hearing has been completed.

§ 1596.8865. Death or serious injury due to abuse or willful neglect: notice by local child protective agency; temporary suspension of license; notice to involved persons; service of accusation; hearing; evidence

(a) When a local child protective agency, as defined in Section 11165 of the Penal Code, has a reasonable suspicion, as defined in subdivision (a) of Section 11166 of the Penal Code, that the death or serious injury of a child occurred at a child day care facility because of abuse or willful neglect by the personnel of the child day care facility, the agency shall immediately notify the director.

(b) Within two working days of receipt of the evidence that the death or serious injury occurred at a child day care facility because of abuse or willful neglect by the personnel of the child day care facility, the department shall temporarily suspend the license, registration, or special permit of the facility and shall immediately notify the licensee, registrant, or holder of the special permit of the temporary suspension and the effective date thereof and at the same time serve the provider with an accusation. The hearing shall be set and conducted in the manner provided in Section 1596.886, and the temporary suspension shall have the same effect and duration as provided in Section 1596.886.

(c) The director shall request that the city police, county sheriff, or other law enforcement agencies and any other county agencies investigating the death or serious injury of the child shall expedite and coordinate evidence gathering in the case and to the extent that providing the evidence will not adversely affect any criminal prosecution, make the evidence available as soon as possible for the purposes of the hearing on the temporary suspension.

(d) As used in this section, "serious injury" means a serious impairment of physical condition, including, but not limited to, the following: loss of consciousness; concussion; bone fracture; protracted loss or impairment of function of any bodily member or organ; a wound requiring extensive suturing; and serious disfigurement.

§ 1596.8866 Reopening investigations into licensed child day care facilities; receipt of court record indicating judicial determination that injury to child may have been inflicted while in care and custody of day care provider

The State Department of Social Services shall reopen an investigation into a licensed child day care facility when any person provides the department with a certified copy of a court record in which a judicial officer has determined that an injury to a child may have been inflicted while in the care and custody of a day care provider.

§ 1596.887. Proceedings for suspension, revocation, or denial of license, registration, or special permit; law governing standard of proof; hearings; continuances

(a) Proceedings for the suspension, revocation, or denial of a license, registration, or special permit under this chapter shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Part 1 of Division 3 of Title 2 of the Government Code, and the department shall have all the powers granted by that chapter. In the event of conflict between the provisions of this chapter and those provisions of the Government Code, the provisions of the Government Code shall prevail.

(b) In all proceedings conducted in accordance with this section, the standard of proof to be applied shall be by the preponderance of the evidence.

(c) If the license is not temporarily suspended pursuant to Section 1596.8865, the

hearing shall be held within 90 days after receipt of the notice of defense, unless a continuance of the hearing is granted by the department or the administrative law judge. When the matter has been set for hearing, only the administrative law judge may grant a continuance of the hearing. The administrative law judge may, but need not, grant a continuance of the hearing, only upon finding the existence of one or more of the following:

(1) The death or incapacitating illness of a party, a representative or attorney of a party, a witness to an essential fact, or of the parent, child, or member of the household of such person, when it is not feasible to substitute another representative, attorney, or witness because of the proximity of the hearing date.

(2) Lack of notice of hearing as provided in Section 11509 of the Government Code.

(3) A material change in the status of the case where a change in the parties or pleadings requires postponement, or an executed settlement or stipulated findings of fact obviate the need for hearing. A partial amendment of the pleadings shall not be good cause for continuance to the extent that the unamended portion of the pleadings is ready to be heard.

(4) A stipulation for continuance signed by all parties or their authorized representatives, including, but not limited to, a representative, which is communicated with the request for continuance to the administrative law judge no later than 25 business days before the hearing.

(5) The substitution of the representative or attorney of a party upon showing that the substitution is required.

(6) The unavailability of a party, representative, or attorney of a party, or witness to an essential fact due to a conflicting and required appearance in a judicial matter if when the hearing date was set, the person did not know and could neither anticipate nor at any time avoid the conflict, and the conflict with request for continuance is immediately communicated to the administrative law judge.

(7) The unavailability of a party, a representative or attorney of a party, or a material witness due to an unavoidable emergency.

(8) Failure by a party to comply with a timely discovery request if the continuance request is made by the party who requested the discovery.

§ 1596.8871. Hearing; testimony of child or similarly vulnerable witness outside of presence of respondent; condition; closed-circuit television; clearing of hearing room

(a) The administrative law judge conducting a hearing under this article may permit the testimony of a child witness, or a similarly vulnerable witness, including a witness who is developmentally disabled, to be taken outside the presence of the respondent or respondents if all of the following conditions exist:

(1) The administrative law judge determines that taking the witness's testimony outside the presence of the respondent or respondents is necessary to ensure truthful testimony.

(2) The witness is likely to be intimidated by the presence of the respondent or respondents.

(3) The witness is afraid to testify in front of the respondent or respondents.

(b) If the testimony of the witness is taken outside of the presence of the respondent or respondents, the department shall provide for the use of one-way closed-circuit television so the respondent or respondents can observe the testimony of the witness. Nothing in this section shall limit a respondent's right of cross-examination.

(c) The administrative law judge conducting a hearing under this section may clear the hearing room of any persons who are not a party to the action in order to protect any witness

from intimidation or other harm, taking into account the rights of all persons.

§ 1596.8872 Witnesses under age 12; hearsay testimony

(a)(1) An out-of-court statement made by a minor under 12 years of age who is the subject or victim of an allegation at issue is admissible evidence at an administrative hearing conducted pursuant to this article. The out-of-court statement may be used to support a finding of fact unless an objection is timely made and the objecting party establishes that the statement is unreliable because it was the product of fraud, deceit, or undue influence. However, the out-of-court statement may not be the sole basis for the finding of fact, unless the adjudicator finds that the time, content, and circumstances of the statement provide sufficient indicia of reliability.

(2) The proponent of the statement shall give reasonable notice to all parties of the intended introduction of the statement at the hearing.

(3) For purposes of this subdivision, an objection is timely if it identifies with reasonable specificity the disputed out-of-court statement and it gives the proponent of the evidence a reasonable period of time to prepare a response to the objection prior to the hearing.

(b) This section shall not be construed to limit the right of any party to the administrative hearing to subpoena a witness whose statement is admitted as evidence or to introduce admissible evidence relevant to the weight of the hearsay evidence or the credibility of the hearsay declarant.

§ 1596.8875. Witness fees and mileage; payment of expenses

Notwithstanding Section 11510 of the Government Code, witnesses subpoenaed at the request of the department for a hearing conducted pursuant to this article who attend a hearing may be paid by the department witness fees and mileage as provided by Section 68093 of the Government Code. In addition, the department may pay actual, necessary, and reasonable expenses in an amount not to exceed the per diem allowance payable to a nonrepresented state employee on travel status. The department may pay witness expenses pursuant to this section in advance of the hearing.

§ 1596.888. Reinstatement

Any license, registration, or special permit suspended pursuant to this chapter, and any special permit revoked pursuant to this chapter, may be reinstated pursuant to Section 11522 of the Government Code.

§ 1596.889. Evidence; standard of proof

In all proceedings conducted in accordance with Section 1596.887, the preponderance of the evidence standard shall apply.

§ 1596.8895. Notice of suspension of license to parent or legal guardian

(a) Whenever the director temporarily suspends the license, registration, or special permit of a child day care facility pursuant to Section 1596.886, the director or the local licensing agency shall send written notification to the parent or legal guardian of each child receiving services in the facility. The department or the local licensing agency, if there is one, shall also

post a written notice of the temporary suspension at the facility in a place readily visible and accessible to the parents or guardians of children receiving services at the facility. Removal of the posted notice while the temporary suspension is in effect is a violation of this chapter punishable by a fine of five hundred dollars (\$ 500).

(b) If a temporary suspension order is not effected within 30 days of the filing of an accusation, the director or the local licensing agency shall send written notification that the accusation has been filed to the parent or legal guardian of each child receiving services in the facility.

(c)(1) Upon receipt of an accusation indicating the department's intent to revoke a facility's license, the licensee shall provide copies of a summary of the accusation to the parent or legal guardian of each child receiving services in the facility until that accusation is either dismissed or resolved through the administrative hearing process or stipulated agreement.

(2) Upon enrollment of a new child in a facility, the licensee shall provide to the parents or legal guardians of the newly enrolling child copies of a summary of any accusation that the licensee has received during the prior 12-month period that indicates the department's intent to revoke the facility's license.

(3) The licensee shall require each recipient of the summary of the accusation to sign a statement indicating that he or she has received the document and the date it was received.

(4) The licensee shall keep verification of receipt in each child's file.

(5) The department shall prepare and provide to the licensee the summary of the accusation.

ARTICLE 4.5. EMPLOYEE ACTIONS

§ 1596.8897. Prohibited positions or employment; grounds; notice; removal; appeal; petition for reinstatement

(a) The department may prohibit any person from being a member of the board of directors, an executive director, or an officer of a licensee or a licensee from employing, or continuing the employment of, or allowing in a licensed facility, or allowing contact with clients of a licensed facility by, any employee, prospective employee, or person who is not a client who has:

(1) Violated, or aided or permitted the violation by any other person of, any provisions of this chapter or of any rules or regulations promulgated under this chapter.

(2) Engaged in conduct that is inimical to the health, morals, welfare, or safety of either an individual in or receiving services from the facility, or the people of the State of California.

(3) Been denied an exemption to work or to be present in a facility, when that person has been convicted of a crime as defined in Section 1596.871.

(4) Engaged in any other conduct that would constitute a basis for disciplining a licensee.

(5) Engaged in acts of financial malfeasance concerning the operation of a facility, including, but not limited to, improper use or embezzlement of client moneys and property or fraudulent appropriation for personal gain of facility moneys and property, or willful or negligent failure to provide services for the care of clients.

(b) The excluded person, the facility, and the licensee shall be given written notice of the basis of the department's action and of the excluded person's right to an appeal. The notice shall be served either by personal service or by registered mail. Within 15 days after the department serves the notice, the excluded person may file with the department a written appeal of the exclusion order. If the excluded person fails to file a written appeal within the prescribed time, the

department's action shall be final.

(c)(1) The department may require the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility pending a final decision of the matter, when, in the opinion of the director, the action is necessary to protect residents or clients from physical or mental abuse, abandonment, or any other substantial threat to their health or safety.

(2) If the department requires the immediate removal of a member of the board of directors, an executive director, or an officer of a licensee or exclusion of an employee, prospective employee, or person who is not a client from a facility, the department shall serve an order of immediate exclusion upon the excluded person that shall notify the excluded person of the basis of the department's action and of the excluded person's right to a hearing.

(3) Within 15 days after the department serves an order of immediate exclusion, the excluded person may file a written appeal of the exclusion with the department. The department's action shall be final if the excluded person does not appeal the exclusion within the prescribed time. The department shall do the following upon receipt of a written appeal:

(A) Within 30 days of receipt of the appeal, serve an accusation upon the excluded person.

(B) Within 60 days of receipt of a notice of defense by the employee or prospective employee pursuant to Section 11506 of the Government Code, conduct a hearing on the accusation.

(4) An order of immediate exclusion of the excluded person from the facility shall remain in effect until the hearing is completed and the director has made a final determination on the merits. However, the order of immediate exclusion shall be deemed vacated if the director fails to make a final determination on the merits within 60 days after the original hearing has been completed.

(d) An excluded person who files a written appeal of the exclusion order with the department pursuant to this section shall, as part of the written request, provide his or her current mailing address. The excluded person shall subsequently notify the department in writing of any change in mailing address, until the hearing process has been completed or terminated.

(e) Hearings held pursuant to this section shall be conducted in accordance with Chapter 5 (commencing with Section 11500) of Division 3 of Title 2 of the Government Code. The standard of proof shall be the preponderance of the evidence and the burden of proof shall be on the department.

(f) The department may institute or continue a disciplinary proceeding against a member of the board of directors, an executive director, or an officer of a licensee or an employee, prospective employee, or person who is not a client upon any ground provided by this section. The department may enter an order prohibiting any person from being a member of the board of directors, the executive director, or an officer of a licensee prohibiting the excluded person's employment or presence in the facility or otherwise take disciplinary action against the excluded person, notwithstanding any resignation, withdrawal of employment application or change of duties by the excluded person, or any discharge, failure to hire or reassignment of the excluded person by the licensee or that the excluded person no longer has contact with clients at the facility.

(g) A licensee's failure to comply with the department's exclusion order after being notified of the order shall be grounds for disciplining the licensee pursuant to Section 1596.885 or 1596.886.

(h)(1)(A) In cases where the excluded person appealed the exclusion order and there is a decision and order upholding the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or from being a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement one year after the effective date of the decision and order of the department upholding the exclusion order pursuant to Section 11522

of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the decision and order.

(2)(A) In cases where the department informed the excluded person of his or her right to appeal the exclusion order and the excluded person did not appeal the exclusion order, the person shall be prohibited from working in any facility or being licensed to operate any facility licensed by the department or a certified foster parent for the remainder of the excluded person's life, unless otherwise ordered by the department.

(B) The excluded individual may petition for reinstatement after one year has elapsed from the date of the notification of the exclusion order pursuant to Section 11522 of the Government Code. The department shall provide the excluded person with a copy of Section 11522 of the Government Code with the exclusion order.

§ 1596.8898. Grounds for exclusion of certain persons from designated facilities

(a)(1) If the department determines that a person was issued a license under this chapter or under Chapter 1 (commencing with Section 1200), Chapter 2 (commencing with Section 1250), Chapter 3.01 (commencing with Section 1568.01), Chapter 3.2 (commencing with Section 1569), Chapter 3.4 (commencing with Section 1596.70), Chapter 3.5 (commencing with Section 1596.90), or Chapter 3.6 (commencing with Section 1597.30) and the prior license was revoked within the preceding two years, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to the chapter.

(2) If the department determines that a person previously was issued a certificate of approval by a foster family agency which was revoked by the department pursuant to subdivision (b) of Section 1534 within the preceding two years, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter.

(b) If the department determines that the person had previously applied for a license under any of the chapters listed in paragraph (1) of subdivision (a) and the application was denied within the last year, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter and as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(c) If the department determines that the person had previously applied for a certificate of approval with a foster family agency and the department ordered the foster family agency to deny the application pursuant to subdivision (b) of Section 1534, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this

chapter and as follows:

(1) In cases where the applicant petitioned for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the effective date of the decision and order of the department upholding a denial.

(2) In cases where the department informed the applicant of his or her right to petition for a hearing and the applicant did not petition for a hearing, the department shall exclude the person from, and remove the person from the position of a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter until one year has elapsed from the date of the notification of the denial and the right to petition for a hearing.

(d) Exclusion or removal of an individual pursuant to this section shall not be considered an order of exclusion for purposes of Section 1598.8897 or any other law.

(e) The department may determine not to exclude a person from, or remove him or her from the position of, a member of the board of directors, the executive director, or an officer of a licensee of, any facility licensed by the department pursuant to this chapter if it has been determined that the reasons for the denial of the application or revocation of the facility license or certificate of approval were due to circumstances or conditions that either have been corrected or are no longer in existence.

ARTICLE 5. OFFENSES

§ 1596.89. Actions to enjoin violations

The director may bring an action to enjoin the violation or threatened violation of Section 1596.80 or 1596.805 in the superior court in and for the county in which the violation occurred or is about to occur. Any proceeding under this section shall conform to the requirements of Chapter 3 (commencing with Section 525) of Title 7 of Part 2 of the Code of Civil Procedure, except that the director shall not be required to allege facts necessary to show or tending to show lack of adequate remedy at law or irreparable damage or loss. Upon a finding by the director that the violation threatens the health or safety of any child in, or served by, a child day care facility, the department or agency contracted with may bring an action to enjoin the violation, threatened violation, or continued violation by any child day care facility which is located in an area for which it is responsible pursuant to the terms of the contract.

With respect to any and all actions brought pursuant to this section alleging actual violation of Section 1596.80 or 1596.805, the court shall, if it finds such allegations to be true, issue its order enjoining the child day care facility from continuance of the violation.

This section applies to family day care homes when the provider has failed to comply with Section 1596.80 or 1596.805 within 30 days of notice by the director of noncompliance, or at any time when a threat to the health and safety of children exists.

§ 1596.890. Violations; punishment

(a) Any person who willfully or repeatedly violates any provision of this chapter, or any rule or regulation promulgated under this chapter is guilty of a misdemeanor. Upon conviction thereof, such a person shall be punished by a fine not to exceed one thousand dollars (\$1,000) or by imprisonment in the county jail for a period not to exceed 180 days, or by both the fine and

imprisonment. The operation of a child day care facility without a license issued pursuant to this chapter shall make the owner or operator, or both, subject to a summons to appear in court.

(b) Notwithstanding subdivision (a) or any other provision of law, the sole sanction for failure of a resources and referral agency or an alternative payment program to comply with paragraph (2) of subdivision (a) of Section 1596.859 shall be set forth in the "Funding Terms and Conditions" agreement between the affected agency or program and the State Department of Education.

§ 1596.891. Violation of Section 1596.80; civil penalties for refusal to seek licensure or operation after denial of licensure; appeal; exemption

(a) A person who violates Section 1596.80 may be liable for an immediate assessment of civil penalties in the amount of two hundred dollars (\$ 200) per day.

(b) The penalty specified in subdivision (a) shall be imposed if the operator of an unlicensed facility refuses to seek licensure or the operator seeks licensure and is denied but continues to operate, unless other remedies available to the department, including criminal prosecution, are deemed more effective by the department.

(c) The operator may appeal the assessment to the director. The department shall adopt regulations setting forth the appeals procedure.

(d) The operator shall be exempt from the civil penalty specified in subdivision (a) if a lack of liability insurance is the sole reason for nonlicensure and the reason for operating without liability insurance is not due to any fault on the part of the operator.

§ 1596.8915. Informing facility of unannounced site visit; misdemeanor

Any person who, without lawful authorization from a duly authorized officer, employee, or agent of the department, informs an owner, operator, employee, or agent of a child day care facility of an impending and unannounced site visit to that facility by personnel of the department, is guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed one thousand dollars (\$ 1,000), by imprisonment in the county jail for a period not to exceed 180 days, or by both a fine and imprisonment.

§ 1596.892. Civil, criminal, and administrative remedies under this article not exclusive

The civil, criminal, and administrative remedies available to the department pursuant to this article are not exclusive, and may be sought and employed in any combination deemed advisable by the department to enforce the provisions of this chapter.

§ 1596.893a. Citations to violating facilities; penalties; review; implementation

(a) When the licensing agency has reason to believe that an unlicensed day care facility is operating or that a day care facility is in violation of the California Child Day Care Facilities Act or of the rules and regulations promulgated under the California Child Day Care Facilities Act, the agency may issue a citation to the facility. Each citation shall be in writing and shall describe with particularity the nature of the violation and the action proposed by the licensing agency. If the citation has been developed pursuant to an evaluator visit, the citation shall include the plan developed by the operator and evaluator to correct each deficiency. The citation shall be served upon the facility operator personally or through registered mail.

(b) The licensing agency shall give due consideration to the appropriateness of the penalty to

the alleged violation, considering each of the following factors:

- (1) The gravity of the violation.
- (2) The history of previous violations.
- (3) The possibility of a threat to the health or safety of any child in the facility.
- (4) The number of children affected by the violation.
- (5) The availability of equipment or personnel necessary to correct the violation, if appropriate.

(c) If the facility desires to contest a citation or the proposed assessment of a civil penalty, the facility shall, within 10 business days after service of the citation, notify the licensing agency in writing of a request for an informal conference. The licensing agency shall hold, within 30 days from the receipt of the request, an informal conference. At the conclusion of the conference, the licensing agency may affirm, modify, or dismiss the citation or proposed penalty. The agency shall state in writing the reasons for any action taken in the informal conference.

(d) If the penalty contained in the citation is affirmed in the informal conference, the licensing agency shall pursue enforcement of the penalty, and the facility may pursue any appeal mechanisms otherwise contained in law.

(e) The department shall implement this section during periods that Section 1596.893b is not being implemented in accordance with Section 18285.5 of the Welfare and Institutions Code.

§ 1596.893b. Citations to violating facilities; penalties; regulations; implementations

(a) When the licensing agency has reason to believe that an unlicensed day care facility is operating or that a day care facility is in violation of the California Child Day Care Facilities Act or of the rules and regulations promulgated under the California Child Day Care Facilities Act, the agency may issue a citation to, or impose penalties on, the facility. Each citation shall be in writing and shall describe with particularity the nature of the violation and the action proposed by the licensing agency. If the citation has been developed pursuant to an evaluator visit, the citation shall include the plan developed by the operator and evaluator to correct each deficiency. The citation shall be served upon the facility operator personally or through registered mail. Citations and penalties of licensed child care facilities shall be applied for the sole purpose of ensuring compliance with established statutes or regulations. The department shall distinguish between all of the following:

- (1) Violations that present an immediate risk to the health, safety, or personal rights of the children in care.
- (2) Violations that have the potential of becoming an immediate risk to the health, safety, or personal rights of the children in care.
- (3) Violations that do not present an immediate or potential risk to the health, safety, or personal rights of the children in care.

(b) Civil penalties shall be imposed in accordance with Sections 1596.99 and 1597.62 only after the day care licensee fails to correct the violation in the time period specified in the plan developed pursuant to Section 1596.98 or 1597.56 and the evaluator makes a finding that the violation presents risks identified in paragraph (1) or (2) of subdivision (a). Civil penalties shall begin to accrue on the day the evaluator revisits the site and verifies that the violation was not corrected, even if the evaluator's visit is after the time period specified in the plan.

(c) The department shall adopt regulations establishing procedures for the imposition of citations or civil penalties under this section.

(d) The department shall implement this section only to the extent funds are available in accordance with Section 18285.5 of the Welfare and Institutions Code.

§ 1596.894. Abatement of action against unlicensed facility; ownership change

Any action brought by the department against an unlicensed child day care facility shall not abate by reason of sale or other transfer of ownership of the child day care facility which is a party to the action except with the written consent of the licensing agency.

§ 1596.895. Notification of priority one violations; implementation

(a) The department shall notify resource and referral agencies funded pursuant to Section 8210 of the Education Code of any priority one violation or any allegation of a priority one violation affecting the health and safety of children that is within the geographic area served by the agency. Resource and referral agencies shall use this information when deciding whether to make a referral to the licensee and shall maintain the confidentiality of information provided to them pursuant to this section.

(b) The Child Care Regulation Section shall notify these resource and referral agencies of the department's actions regarding these allegations of priority one violations within 30 days. The Child Care Regulation Section shall notify these resource and referral agencies of the department's actions regarding these allegations of priority one violations within 10 days after the allegations have been substantiated by the department.

(c) "Priority one violation" is defined to include sexual assault, physical abuse, ritualistic abuse, or suspicious deaths, if any of the following apply:

(1) The victim is a child in care and the suspect is the facility operator, the licensee, an employee of the facility, or is yet to be identified as any of the individuals specified in this paragraph.

(2) The facility is operating and the suspect has access to the victim or potential victim.

(3) The complaint is against an unlicensed facility and either a temporary suspension order is in effect or the license has been revoked.

(d) "Allegation of a priority one violation" is defined to include any complaints of priority one violations pursuant to subdivision (c).

(e) The department shall implement this section only to the extent funds are available in accordance with Section 18285.5 of the Welfare and Institutions Code.

Failure to cooperate means that the information described in this section and in regulations of the department has not been provided, or not provided in the form requested by the licensing agency, or both.

§ 1596.952. Corporate applicant; directors or officers; related facilities; license issuance or revocation

(a) A corporation that applies for licensure with the department shall list the facilities that any member of the board of directors, the executive director, or an officer that has been licensed to operate, been employed in or served as a member of the board of directors, the executive director, or an officer.

(5) The maximum group size, with two teachers, or one fully qualified teacher and one aide, does not exceed 12 toddlers.

(6) The toddler program is conducted in areas separate from those used by older or younger children. Plans to alternate use of outdoor play space may be approved to achieve separation.

(7) All other preschool regulations are complied with.

(b) The toddler program shall be considered an extension of the preschool license, without the need for a separate license.

(c) The department shall immediately prepare proposed regulations for public hearing which would consider the foregoing basic conditions as well as any additional health and safety safeguards deemed necessary for this age group.

(d) The guidelines in subdivision (a) shall remain in force and effect only until regulations implementing this section are adopted by the department.

§ 1596.956. Child day care centers serving infants; optional toddler program; departmental guidelines and regulations

(a) The department shall develop guidelines and procedures to authorize licensed child day care centers serving infants to create a special program component for children between the ages of 18 months and 30 months. The optional toddler program shall be subject to the following basic conditions.

- (d) The guidelines in subdivision (a) shall remain in force and effect only until regulations implementing this section are adopted by the department.

§ 1596.96. Organization possessing current valid license to operate facility at another site; review of application and determination, time limit; provisional license; development of expedited procedures; appeal procedure

- (a) The department and the licensing agencies with which it contracts for licensing shall review and make a final determination within 60 days of an applicant's submission of a complete application on all applications for a license to operate a day care facility for children by an organization which possesses a current valid license to operate a day care facility for children at another site. Applicants shall note on the application, or in a cover letter to the application, that they possess a current valid license at another site, and the number of that license.
- (b) The department shall request a fire safety clearance from the appropriate fire marshal within five days of receipt of an application described in subdivision (a). The department shall request criminal records clearance within five days of receipt of an application described in subdivision (a), unless the clearance requirement has been otherwise satisfied by transfer of clearance under subdivision (g) of Section 1596.871.
- (c) If the department for any reason is unable to comply with subdivision (a), it shall, within 60 days of receipt of the application described in subdivision (a), grant a provisional license to the applicant to operate for a period not to exceed six months. While the provisional license is in effect, the department shall continue its investigation and make a final determination on the application before the provisional license expires. The provisional license shall be granted, provided the department knows of no life safety risks, the criminal records clearances, if applicable, are complete, and the fire safety clearance is complete. The director may extend the term of a provisional license for an additional six months at the time of the application, if the director determines that more than six months will be required to achieve full compliance with licensing standards due to circumstances beyond the control of the applicant, and if all other requirements for a license have been met.

(d) If the department does not issue a provisional license pursuant to subdivision (c), the department shall issue a notice to the applicant identifying whether the provisional license has not been issued due to the existence of a life safety risk, lack of a fire safety clearance, lack of a criminal records clearance, failure to complete the application, or any combination of these reasons. If a life safety risk is identified, the risk preventing the issuance of a provisional license shall be clearly explained. If a lack of the fire safety clearance or lack of criminal records clearance is identified, the notice shall include the dates on which the department requested the clearance and the current status of those requests, the fire marshal's name and telephone number to whom a fire safety clearance request was sent, and the names of individuals for whom criminal records clearances are lacking. If failure to complete the application is identified, the notice shall list all of the forms or attachments which are missing or incorrect. This notice shall be sent to the applicant no later than 60 days after the applicant filed the application. If the reasons identified in the notice are corrected, the department shall issue the provisional license within five days after the corrections are made.

(e) The department shall, immediately after January 1, 1992, develop expedited procedures necessary to implement subdivisions (a), (b), (c), and (d).

(f) The department shall, immediately after January 1, 1992, develop an appeal procedure for applicants under this section for both denial of licenses and delay in processing applications.

§ 1596.97. Issuance of license or special permit

A license or special permit for a day care center for children may be issued providing the licensee has been found not to be in violation of any statutory requirements or rules or regulations pursuant to this chapter and Chapter 3.4 (commencing with Section 1596.70).

§ 1596.98. Noncompliance; notice; civil penalties; plan of correction; regulations

(a) The department shall notify the day care center in writing of all deficiencies in its compliance with this chapter and the rules and regulations adopted pursuant to this chapter, and shall set a reasonable length of time for compliance by the center. Upon a finding of noncompliance, the department may levy a civil penalty which shall be paid to the department each day until the department finds the center in compliance.

(b) In developing a plan of correction both the licensee and the department shall give due consideration to the following factors:

- (1) The gravity of the violation.
- (2) The history of previous violations.
- (3) The possibility of a threat to the health or safety of any child in the facility.
- (4) The number of children affected by the violation.
- (5) The availability of equipment or personnel necessary to correct the violation, if appropriate.

(c) The department shall adopt regulation establishing procedures for the imposition of civil penalties under this section.

§ 1596.99. Levy of civil penalty in addition to suspension or revocation; amounts

(a) In addition to suspension or revocation of a license issued under this chapter, the Department may levy a civil penalty. The civil penalty may be in addition to the penalties of

suspension or revocation.

(b) The amount of the civil penalty may not be less than twenty-five dollars (\$ 25) nor more than fifty dollars (\$ 50) per day for each violation of this chapter except where (1) the nature of the violation, (2) the seriousness of the violation, (3) the frequency of the violation, or (4) any combination of these factors warrants a higher penalty or an immediate civil penalty assessment as specified in subdivision (c), or both. In no event shall a civil penalty assessment exceed one hundred fifty dollars (\$ 150) per day.

(c) Facilities cited for a repeated serious deficiency shall be subject to an immediate civil penalty assessment of one hundred fifty dollars (\$ 150) and fifty dollars (\$ 50) per day thereafter until the deficiency is corrected.

(d) Facilities which are assessed civil penalties under subdivision (c) and which repeat the deficiency shall be subject to an immediate assessment of one hundred fifty dollars (\$ 150) and one hundred fifty dollars (\$ 150) per day thereafter until the deficiency is corrected.

(2) If the total citations issued by the department exceed the previous year's total by 10 percent, the following year the department shall increase the random sample by 10 percent of facilities not subject to an evaluation under subdivision (b). The department may request additional resources to increase the random sample by 10 percent.

(d) Under no circumstances shall the department visit a licensed child day care center less often than once every five years.

§ 1597.091. Unannounced spot visits; implementation

(a) In addition to the visits required by Section 1597.09, the department shall annually make unannounced spot visits to 20 percent of all child day care centers licensed under this chapter, except schoolage child day care centers. The unannounced visits may be made at any time during

(b) The department shall implement this section only to the extent funds are available in accordance with Section 18285.5 of the Welfare and Institutions Code.

§ 1597.11. Notice to department of education of violations endangering health or safety of children; time for notice

§ 1597.13. License application; processing time

The department and any local agency with which it contracts for the licensing of day care centers shall grant or deny an application for license within 30 days after receipt of all appropriate licensing application materials, as determined by the department, after a site visit has been completed and the facility has been found to be in compliance with licensing standards. The department shall conduct an initial site visit within 30 days after the receipt of all appropriate licensing application materials.

§ 1597.14. Sale of licensed child day care center resulting in issuance of new license; conditions

(a) Notwithstanding Section 1596.858, in the event of a sale of a licensed child day care center where the sale will result in a new license being issued, the sale and transfer of property and business shall be subject to both of the following:

(1) The licensee shall provide written notice to the department and to the child's parent or his or her legal guardian of the licensee's intent to sell the child day care center at least 30 days prior to the transfer of the property or business, or at the time that a bona fide offer is made, whichever period is longer.

whether to issue a license pursuant to Section 1596.95.

(e) If the parties involved in the transfer of the property and business fully comply with this section, then the transfer may be completed and the buyer shall not be considered to be operating an unlicensed facility while the department makes a final determination on the application for licensure.

(c) California's juvenile incarceration rate is twice the national average and has increased 65 percent since 1975.

(d) Twice as many California young people were victims of homicide in 1990 than in 1974.

(e) Compared to 1960, American children spend an average of 10 to 12 fewer hours per week with their parents.

§ 1597.21. Schoolage day care centers; licensure and employee qualifications; alternative education and experience requirements

The following requirements shall apply to schoolage day care centers:

(a) The State Department of Social Services shall permit the substitution of 20 training hours for each required unit of education.

(b) In addition to an administration course consisting of three units or 60 training hours and three units or 60 training hours in early childhood education, child development, or schoolage child courses, the site director may, as an alternative to existing regulations, complete nine core units or 180 training hours from the following:

(1) Recreation, which includes, but is not limited to, art, music, and dance.

(2) Physical education, which includes, but is not limited to, indoor and outdoor sports activities.

(3) Human services and social welfare, which includes, but is not limited to, nursing, psychology, sociology, or home economics.

(4) Units earned toward an elementary or middle school teaching credential.

(5) Early childhood education, child development, or schoolage child units. A director is required to complete 12 units or 240 training hours prior to employment. The remaining three units must be completed within one year of employment.

(c) The State Department of Social Services shall expand the list of college degrees that satisfy current site director educational requirements to include degrees in recreation, physical education, human services, and social welfare, as described in paragraph (3) of subdivision (b), and education, as described in paragraphs (2) and (4) of subdivision (b).

(d) As an alternative to satisfying the educational requirements of teachers contained in the regulations, a teacher may substitute 12 units or 240 training hours in any combination of the following:

(1) Recreation, which includes, but is not limited to, art, music, and dance.

(2) Physical education, which includes, but is not limited to, indoor and outdoor sports activities.

in paragraph (3) of subdivision (b); or paid or volunteer work experience in school guidance or in other counseling programs.

(f) In addition to existing approved sources of education, the following are approved sources of education that may be used to satisfy the education required of staff at a schoolage child care center:

A functioning school site shall meet the requirements of paragraphs (1) and (2) of subdivision (a) of Section 1596.806.

(h)(1) If the department, for any reason, is unable to comply with subdivision (g), it shall, within 30 days of the receipt of the application described in subdivision (g), grant a provisional license to the applicant to operate for a period not to exceed six months. The provisional license shall be granted provided the department has conducted a site visit and has not found any life safety risks, the criminal records clearances are complete, and the school fire inspection has been verified. The requirement for criminal records clearances may be satisfied by transfer of current criminal records clearances, pursuant to subdivision (g) of Section 1596.871. For purposes of a schoolage day care program operating on a functioning school site, the school fire inspection shall be accepted as sufficient fire clearance.

(2) While a provisional license is in effect, the department shall continue its investigation and shall make a final determination on the application prior to the expiration of the provisional license. If the department does not issue a provisional license pursuant to paragraph (1), the department shall follow the procedures for notifying applicants as set forth in subdivision (d) of Section 1596.96.

Chapter 3.6. FAMILY DAY CARE HOMES

§ 1597.30. Legislative findings and declarations

The Legislature finds and declares:

(a) It has a responsibility to ensure the health and safety of children in family homes that provide day care.

(b) That there are insufficient numbers of regulated family day care homes in California.

(c) There will be a growing need for child day care facilities due to the increase in working parents.

(d) Many parents prefer child day care located in their neighborhoods in family homes.

(e) There should be a variety of child care settings, including regulated family day care homes, as suitable alternatives for parents.

(f) That the program to be operated by the state should be cost effective, streamlined, and simple to administer in order to ensure adequate care for children placed in family day care homes, while not placing undue burdens on the providers.

(g) That the state should maintain an efficient program of regulating family day care homes

that ensures the provision of adequate protection, supervision, and guidance to children in their homes.

§ 1597.36. Loan guarantee application request; need for repairs, renovations, or additions; documentation

The department shall provide written documentation to providers of the need for repairs, renovations, or additions when requested for an application for a loan guarantee pursuant to subdivision (d) of Section 8277.6 of the Education Code whenever the repairs, renovations, or additions are required by the department in order for the licensee to maintain or obtain a license for more than six children.

§ 1597.40. Public policy to provide home environment; restriction governing real property

(a) It is the intent of the Legislature that family day care homes for children should be situated in normal residential surroundings so as to give children the home environment which is conducive to healthy and safe development. It is the public policy of this state to provide children in a family day care home the same home environment as provided in a traditional home setting.

The Legislature declares this policy to be of statewide concern with the purpose of occupying the field to the exclusion of municipal zoning, building and fire codes and regulations governing the use or occupancy of family day care homes for children, except as specifically provided for in this chapter, and to prohibit any restrictions relating to the use of single-family residences for family day care homes for children except as provided by this chapter.

(b) Every provision in a written instrument entered into relating to real property which purports to forbid or restrict the conveyance, encumbrance, leasing, or mortgaging of the real property for use or occupancy as a family day care home for children, is void and every restriction or prohibition in any such written instrument as to the use or occupancy of the property as a family day care home for children is void.

(c) Except as provided in subdivision (d), every restriction or prohibition entered into, whether by way of covenant, condition upon use or occupancy, or upon transfer of title to real property, which restricts or prohibits directly, or indirectly limits, the acquisition, use, or occupancy of such property for a family day care home for children is void.

(d)(1) A prospective family day care home provider, who resides in a rental property, shall provide 30 days' written notice to the landlord or owner of the rental property prior to the commencement of operation of the family day care home.

(2) For family day care home providers who have relocated an existing licensed family day care home program to a rental property on or after January 1, 1997, less than 30 days' written notice may be provided in cases where the department approves the operation of the new location of the family day care home in less than 30 days, or the home is licensed in less than 30 days, in order that service to the children served in the former location not be interrupted.

(3) A family day care home provider in operation on rental or leased property as of January 1, 1997, shall notify the landlord or property owner in writing at the time of the annual license fee renewal, or by March 31, 1997, whichever occurs later.

(4) Notwithstanding any other provision of law, upon commencement of, or knowledge of, the operation of a family day care home on his or her property, the landlord or property owner may require the family day care home provider to pay an increased security deposit for operation of the family day care home. The increase in deposit may be required notwithstanding that a lesser amount is required of tenants who do not operate family day care homes. In no event, however,

shall the total security deposit charged exceed the maximum allowable under existing law.

(5) Section 1596.890 shall not apply to this subdivision.

§ 1597.43. Legislative findings and declarations; congregate care facilities distinguished

The Legislature finds and declares all of the following:

(a) Family day care homes operated under the standards of state law constitute accessory uses of residentially zoned and occupied properties and do not fundamentally alter the nature of the underlying residential uses. Family day care homes draw clients and vehicles to their sites during a limited time of day and do not require the attendance of a large number of employees and equipment.

(b) The uses of congregate care facilities are distinguishable from the uses of family day care homes operated under the standards of state law. For purposes of this section, a "congregate care facility" means a "residential facility," as defined in paragraph (1) of subdivision (a) of Section 1502. Congregate care facilities are used throughout the day and night, and the institutional uses of these facilities are primary uses of the facilities, not accessory uses, and draw a large number of employees, vehicles, and equipment compared to that drawn to family day care homes.

(c) The expansion permitted for family day care homes by Sections 1597.44 and 1597.465 is not appropriate with respect to congregate care facilities, or any other facilities with quasi-institutional uses. Therefore, with these provisions, the Legislature does not intend to alter the legal standards governing congregate care facilities and these provisions are not intended to encourage, or be a precedent for, changes in statutory and case law governing congregate care facilities.

§ 1597.44. Small family day care homes; number of children

A small family day care home may provide care for more than six and up to eight children, without an additional adult attendant, if all of the following conditions are met:

(a) At least one child is enrolled in and attending kindergarten or elementary school and a second child is at least six years of age.

(b) No more than two infants are cared for during any time when more than six children are cared for.

(c) The licensee notifies each parent that the facility is caring for two additional schoolage children and that there may be up to seven or eight children in the home at one time.

(d) The licensee obtains the written consent of the property owner when the family day care home is operated on property that is leased or rented.

§ 1597.45. Small family day care homes

All of the following shall apply to small family day care homes:

(a) The use of single-family residence as a small family day care home shall be considered a residential use of property for the purposes of all local ordinances.

(b) No local jurisdiction shall impose any business license, fee, or tax for the privilege of operating a small family day care home.

(c) Use of a single-family dwelling for purposes of a small family day care home shall not constitute a change of occupancy for purposes of Part 1.5 (commencing with Section 17910) of Division 13 (State Housing Law) or for purposes of local building codes.

(d) A small family day care home shall not be subject to Article 1 (commencing with Section 13100) or Article 2 (commencing with Section 13140) of Chapter 1 of Part 2, except that a small family day care home shall contain a fire extinguisher and smoke detector device that meet standards established by the State Fire Marshal.

§ 1597.46. Large family day care homes

All of the following shall apply to large family day care homes:

(a) A city, county, or city and county shall not prohibit large family day care homes on lots zoned for single-family dwellings, but shall do one of the following:

(1) Classify these homes as a permitted use of residential property for zoning purposes.

(2) Grant a nondiscretionary permit to use a lot zoned for a single-family dwelling to any large family day care home that complies with local ordinances prescribing reasonable standards, restrictions, and requirements concerning spacing and concentration, traffic control, parking, and noise control relating to those homes, and complies with subdivision (e) and any regulations adopted by the State Fire Marshal pursuant to that subdivision. Any noise standards shall be consistent with local noise ordinances implementing the noise element of the general plan and shall take into consideration the noise level generated by children. The permit issued pursuant to this paragraph shall be granted by the zoning administrator, or if there is no zoning administrator by the person or persons designated by the planning agency to grant these permits, upon the certification without a hearing.

(3) Require any large family day care home to apply for a permit to use a lot zoned for single-family dwellings. The zoning administrator, or if there is no zoning administrator, the person or persons designated by the planning agency to handle the use permits shall review and decide the applications. The use permit shall be granted if the large family day care home complies with local ordinances, if any, prescribing reasonable standards, restrictions, and requirements concerning the following factors: spacing and concentration, traffic control, parking, and noise control relating to those homes, and complies with subdivision (e) and any regulations adopted by the State Fire Marshal pursuant to that subdivision. Any noise standards shall be consistent with local noise ordinances implementing the noise element of the general plan and shall take into consideration the noise levels generated by children. The local government shall process any required permit as economically as possible.

Fees charged for review shall not exceed the costs of the review and permit process. An applicant may request a verification of fees, and the city, county, or city and county shall provide the applicant with a written breakdown within 45 days of the request. Beginning July 1, 2007, the application form for large family day care home permits shall include a statement of the applicant's right to request the written fee verification.

Not less than 10 days prior to the date on which the decision will be made on the application, the zoning administrator or person designated to handle the use permits shall give notice of the proposed use by mail or delivery to all owners shown on the last equalized assessment roll as owning real property within a 100-foot radius of the exterior boundaries of the proposed large family day care home. A hearing on the application for a permit issued pursuant to this paragraph shall not be held before a decision is made unless a hearing is requested by the applicant or other affected person. The applicant or other affected person may appeal the decision. The appellant shall pay the cost, if any of the appeal.

(b) In connection with any action taken pursuant to paragraph (2) or (3) of subdivision (a), a city, county, or city and county shall do all of the following:

(1) Upon the request of an applicant, provide a list of the permits and fees that are required

by the city, county, or city and county, including information about other permits that may be required by other departments in the city, county, or city and county, or by other public agencies. The city, county, or city and county shall, upon request of any applicant, also provide information about the anticipated length of time for reviewing and processing the permit application.

(2) Upon the request of an applicant, provide information on the breakdown of any individual fees charged in connection with the issuance of the permit.

(3) If a deposit is required to cover the cost of the permit, provide information to the applicant about the estimated final cost to the applicant of the permit, and procedures for receiving a refund from the portion of the deposit not used.

(c) A large family day care home shall not be subject to the provisions of Division 13 (commencing with Section 21000) of the Public Resources Code.

(d) Use of a single-family dwelling for the purposes of a large family day care home shall not constitute a change of occupancy for purposes of Part 1.5 (commencing with Section 17910) of Division 13 (State Housing Law), or for purposes of local building and fire codes.

(e) Large family day care homes shall be considered as single-family residences for the purposes of the State Uniform Building Standards Code and local building and fire codes, except with respect to any additional standards specifically designed to promote the fire and life safety of the children in these homes adopted by the State Fire Marshal pursuant to this subdivision. The State Fire Marshal shall adopt separate building standards specifically relating to the subject of fire and life safety in large family day care homes which shall be published in Title 24 of the California*** Code of regulations. These standards shall apply uniformly throughout the state and shall include, but not be limited to: (1) the requirement that a large family day care home contain a fire extinguisher or smoke detector device, or both, which meets standards established by the State Fire Marshal; (2) specification as to the number of required exits from the home; and (3) specification as to the floor or floors on which day care may be provided. Enforcement of these provisions shall be in accordance with Sections 13145 and 13146. No city, county, city and county, or district shall adopt or enforce any building ordinance or local rule or regulation relating to the subject of fire and life safety in large family day care homes which is inconsistent with those standards adopted by the State Fire Marshal, except to the extent the building ordinance or local rule or regulation applies to single-family residences in which day care is not provided.

(f) The State Fire Marshal shall adopt the building standards required in subdivision (d) and any other regulations necessary to implement this section.

§ 1597.465. Large family day care homes; number of children

A large family day care home may provide care for more than 12 children and up to and including 14 children, if all of the following conditions are met:

(a) At least one child is enrolled in and attending kindergarten or elementary school and a second child is at least six years of age.

(b) No more than three infants are cared for during any time when more than 12 children are being cared for.

(c) The licensee notifies a parent that the facility is caring for two additional schoolage children and that there may be up to 13 or 14 children in the home at one time.

(d) The licensee obtains the written consent of the property owner when the family day care home is operated on property that is leased or rented.

§ 1597.467. Injury or acts of violence reporting requirements

(a) Whenever any licensee under this chapter has reasonable cause to believe that a child in his or her care has suffered any injury or has been subjected to any act of violence while under the licensee's care, the licensee shall, as soon as possible, report that injury or act of violence to the parent, parents, or guardian of that child.

(b)(1) A report shall be made to the department by telephone or fax during the department's normal business hours before the close of the next working day following the occurrence during the operation of a family day care home of any of the following events:

(A) Death of any child from any cause.

(B) Any injury to any child that requires medical treatment.

(C) Any unusual incident or child absence that threatens the physical or emotional health or safety of any child.

(2) In addition to the report required pursuant to paragraph (1), a written report shall be submitted to the department within seven days following the occurrence of any events specified in paragraph (1). The report shall contain all of the following information:

(A) Child's name, age, sex, and date of admission.

(B) Date and nature of the event.

(C) Attending physician's name and findings and treatment, if any.

(D) Disposition of the case.

(c) The department may develop the report form to be used for reporting purposes pursuant to this section, and shall maintain all reports filed under this section in a manner that allows the department to report the data to the Legislature.

(d) The failure of a licensee to report, as prescribed by this section, any injury of, or act of violence to, a child under the licensee's care may be grounds for the suspension of his or her license pursuant to this chapter, but shall not constitute a misdemeanor.

(e) Nothing in this section shall relieve any licensee of any obligation imposed by other law including, but not limited to, laws relating to seeking medical attention for a child or reporting suspected child abuse.

§ 1597.47. Local public entities; restrictions on building heights, setbacks, or lot dimensions; application of local ordinances; abatement of nuisances

The provisions of this chapter shall not be construed to preclude any city, county, or other local public entity from placing restrictions on building heights, setback, or lot dimensions of a family day care facility as long as such restrictions are identical to those applied to other single-family residences. The provisions of this chapter shall not be construed to preclude the application to a family day care facility for children of any local ordinance which deals with health and safety, building standards, environmental impact standards, or any other matter within the jurisdiction of a local public entity. The provisions of this chapter also shall not be construed to prohibit or restrict the abatement of nuisances by a city, county, or city and county. However, such ordinance or nuisance abatement shall not distinguish family day care facilities from other single-family dwellings, except as otherwise provided in this chapter.

§ 1597.52. Limitation on licensing reviews to health and safety considerations; experience requirement for provider of large family day care home

(a) Licensing reviews of a family day care home for children shall be limited to health and safety considerations and shall not include any reviews of the content of any educational or training programs of the facility.

(b) No home shall be licensed or registered as a large family day care home after January 1, 1984, unless the provider has at least one year's experience as a regulated small family day care home operator or as an administrator of a licensed day care center. The director may waive this requirement upon a finding that the applicant has sufficient qualifying experience.

§ 1597.53. Licensure; law governing

No family day care home for children shall be licensed under Chapter 3 (commencing with Section 1500), but shall be subject to licensure exclusively in accordance with this chapter and Chapter 3.4 (commencing with Section 1596.70) which shall apply to family day care homes.

§ 1597.531. Liability insurance or bond; affidavits; additional insured parties

(a) All family day care homes for children shall maintain in force either liability insurance covering injury to clients and guests in the amount of at least one hundred thousand dollars (\$ 100,000) per occurrence and three hundred thousand dollars (\$ 300,000) in the total annual aggregate, sustained on account of the negligence of the licensee or its employees, or a bond in the aggregate amount of three hundred thousand dollars (\$ 300,000). In lieu of the liability insurance or the bond, the family day care home may maintain a file of affidavits signed by each parent with a child enrolled in the home which meets the requirements of this subdivision. The affidavit shall state that the parent has been informed that the family day care home does not carry liability insurance or a bond according to standards established by the state. If the provider does not own the premises used as the family day care home, the affidavit shall also state that the parent has been informed that the liability insurance, if any, of the owner of the property or the homeowners' association, as appropriate, may not provide coverage for losses arising out of, or in connection with, the operation of the family day care home, except to the extent that the losses are caused by, or result from, an action or omission by the owner of the property or the homeowners' association, for which the owner of the property or the homeowners' association would otherwise be liable under the law. These affidavits shall be on a form provided by the department and shall be reviewed at each licensing inspection.

(b) A family day care home that maintains liability insurance or a bond pursuant to this section, and that provides care in premises that are rented or leased or uses premises which share common space governed by a homeowners' association, shall name the owner of the property or the homeowners association, as appropriate, as an additional insured party on the liability insurance policy or bond if all of the following conditions are met:

(1) The owner of the property or governing body of the homeowners' association makes a written request to be added as an additional insured party.

(2) The addition of the owner of the property or the homeowners' association does not result in cancellation or nonrenewal of the insurance policy or bond carried by the family day care home.

(3) Any additional premium assessed for this coverage is paid by the owner of the property or the homeowners' association.

(c) As used in this section, "homeowners' association" means an association of a common interest development, as defined in Section 1351 of the Civil Code.

§ 1597.54. Application for license

All family day care homes for children, shall apply for a license under this chapter, except that any home which on June 28, 1981, had a valid and unexpired license to operate as a family day care home for children under other provisions of law shall be deemed to have a license under this chapter for the unexpired term of the license at which time a new license may be issued upon fulfilling the requirements of this chapter.

An applicant for licensure as a family day care home for children shall file with the department, pursuant to its regulations, an application on forms furnished by the department, which shall include, but not be limited to, all of the following:

(a) A brief statement confirming that the applicant is financially secure to operate a family day care home for children. The department shall not require any other specific or detailed financial disclosure.

(b)(1) Evidence that the small family day care home contains a fire extinguisher or smoke detector device, or both, which meets standards established by the State Fire Marshal under subdivision (d) of Section 1597.45, or evidence that the large family day care home meets the standards established by the State Fire Marshal under subdivision (d) of Section 1597.46.

(e) Evidence satisfactory to the department of the ability of the applicant to comply with this chapter and Chapter 3.4 (commencing with Section 1596.70) and the regulations adopted pursuant to those chapters.

(f) Evidence satisfactory to the department that the applicant and all other persons residing in the home are of reputable and responsible character. The evidence shall include, but not be limited to, a criminal record clearance pursuant to Section 1596.871, employment history, and character references.

(g) Failure of the applicant to cooperate with the licensing agency in the completion of the application shall result in the denial of the application. Failure to cooperate means that the information described in this section and in regulations of the department has not been provided, or not provided in the form requested by the licensing agency, or both.

(h) Other information as may be required by the department for the proper administration and enforcement of the act.

§ 1597.541. Age-appropriate immunization requirements; adoption of regulations

(4) In order to verify that a person who has been ordered out of a family day care home by the department is no longer in the facility.

(c)(1) The department shall conduct annual unannounced visits to no less than 20 percent of facilities not subject to an evaluation under subdivision (b). These unannounced visits shall be conducted based on a random sampling methodology developed by the department.

(2) If the total citations issued by the department exceed the previous year's total by 10 percent, the following year the department shall increase the random sample by 10 percent of the facilities not subject to an evaluation under subdivision (b). The department may request additional resources to increase the random sample by 10 percent.

(d) Under no circumstances shall the department visit a licensed family day care home less often than once every five years.

(e) A public agency under contract with the department may make spot checks if it does not result in any cost to the state. However, spot checks shall not be required by the department.

(f) The department or licensing agency shall make an unannounced site visit on the basis of a complaint and a follow-up visit as provided in Section 1596.853.

No site visits, unannounced visits, or spot checks, shall be made under this chapter except as provided in this section.

(a) An announced site visit shall be required prior to the licensing of the applicant.

(b) A public agency under contract with the department may make spot checks if they do not result in any cost to the state. However, spot checks shall not be required by the department.

(c) An unannounced site visit to all licensed family day care homes shall be made annually and as often as necessary to ensure compliance.

(d) The department or licensing agency shall make an unannounced site visit on the basis of a complaint and a follow up visit as provided in Section 1596.853. At no time shall other site visit requirements described by this section prevent a timely site visit response to a complaint.

(e) The department shall annually make unannounced spot visits on 20 percent of all family day care homes for children licensed under this chapter. The unannounced visits may be made at any time, and shall be in addition to the visits required by subdivisions (b) and (c).

(f) An unannounced site visit shall comply with both of the following conditions:

(1) The visit shall take place only during the facility's normal business hours or at any time family day care services are being provided.

(2) The inspection of the facility shall be limited to those parts of the facility in which family day care services are provided or to which the children have access.

(g) The department shall implement this section only to the extent funds are available in accordance with Section 18285.5 of the Welfare and Institutions Code.

§ 1597.56. Noncompliance; written notice; civil penalties; plan of correction; regulations

(a) The department shall notify a family day care home in writing of all deficiencies in its compliance with this act and the rules and regulations adopted pursuant to this act, and shall set a reasonable length of time for compliance by the family day care home. Upon a finding of noncompliance, the department may levy a civil penalty that shall be paid to the department each day until the department finds the family day care home in compliance.

(b) In developing a plan of correction both the licensee and the department shall give due consideration to the following factors:

(1) The gravity of the violation.

(2) The history of previous violations.

(3) The possibility of a threat to the health or safety of any child in the facility.

(4) The number of children affected by the violation.

(5) The availability of equipment or personnel necessary to correct the violation, if appropriate.

(c) The department shall adopt regulation establishing procedures for the imposition of civil penalties under this section.

§ 1597.57. Applications forms, consumer education program; orientation program

The department shall do all of the following:

(a) Develop and utilize one application form for all family day care homes for children

requesting a new license.

(b) Establish for parents a consumer education program annually on the law and regulations governing family day care homes for children under this chapter and the role of the state and other public entities and local associations in relation to family day care homes for children. In planning this program, the department shall seek the assistance of other public entities and local associations.

(c) Administer an orientation program for new operators of family day care homes for children that may be conducted directly by the department or by contract with local governments or family day care home associations.

§ 1597.59. Disposition of license application; conditions; site visits

The department and the local agencies with which it contracts for the licensing of family day care homes for children shall grant or deny a license to a family day care home for children within 30 days after receipt of all appropriate licensing application materials as determined by the department, provided both of the following conditions are met:

(a) A site visit has been completed and the family day care home has been found to be in compliance with licensing standards.

(b) The applicant and each person described by subdivision(b) of Section 1596.871 has obtained a criminal record clearance, or been granted a criminal record exemption by the department or the local contracting agency. The department shall conduct an initial site visit within 30 days after the receipt of all appropriate licensing application materials.

§ 1597.61. Operation without license; notice; cease and desist order; action to enjoin; conduct of prosecution

(a) When the department determines that a family day care home for children is operating without a license and notifies the unlicensed provider of the requirement for the license, the licensing agency may issue a cease and desist order only if it finds and documents that continued operation of the facility will be dangerous to the health and safety of the children or if a license held by the facility has been revoked by the department within two years preceding the determination of unlicensed operation. In all other cases where the licensing agency determines such a facility is operating without a license and notifies the unlicensed provider of the requirements for the license, the licensing agency may issue a cease and desist order only if the unlicensed provider does not apply for a license within a reasonable time after the notice.

(b) If an unlicensed family day care home fails to respond to a cease and desist order issued pursuant to subdivision (a), or if the department determines it necessary to protect the immediate health and safety of the children, the licensing agency may bring an action to enjoin such a home from continuing to operate pursuant to Section 1596.89.

(c) The district attorney of a county shall, upon application by the department, institute and conduct the prosecution of any action brought by the licensing agency against an unlicensed family day care home located in that county.

§ 1597.62. Civil penalties; uncorrected violations; implementation

(a) The department may impose civil penalties of twenty-five dollars (\$25) per day for uncorrected violations that present an immediate or potential risk to the health and safety of children in care. The penalties shall be imposed in accordance with Section 1596.893.

(b) The department shall implement this section only to the extent funds are available in accordance with Section 18285.5 of the Welfare and Institutions Code

§ 1597.621. License for the pilot project registrants; requirements; complaint and revocation procedures

Family day care homes that, on December 31, 1983, have a valid unexpired registration to operate as a family day care home for children pursuant to Section 1597.62 in one of the pilot counties shall be deemed to be issued a family day care license effective January 1, 1984. Licensure pursuant to this section shall not require a visit pursuant to the requirement set forth in subdivision (a) of Section 1597.55. However, all other requirements of licensing shall continue to be met. Complaint and revocation procedures may be enforced.

CHAPTER 3.65. EMPLOYER-SPONSORED CHILD CARE CENTERS

Article 1. GENERAL PROVISIONS

§ 1597.70. Legislative findings and declarations

The Legislature finds and declares the following:

(a) It is significant that the Santa Clara County Intergovernmental Council has found that due to changes in the labor force and an increase in the child population, 25 percent of the nation's workers must make child care arrangements.

(b) Californians will benefit from investment in child care. According to the House Select Committee on Children, Youth, and Families, one dollar invested in preschool education results in a savings of four dollars and seventy-five cents (\$ 4.75) in social costs.

(c) Allowing and encouraging businesses to open onsite or near site employer-sponsored child care centers has had a number of positive effects for Californians, including reduced job absenteeism, closer parent-child relationships, and increased worker productivity.

(d) In a 1990 study, the Department of General Services found that working parents add five to six miles to their daily commute for transporting their children to child care and school, and that the effect of this commute is 1,352 extra miles driven each year and an additional 56 pounds of auto emissions per person per year.

Article 2. LICENSING WAIVERS FOR SMALL BUSINESSES

§ 1597.71. Regulations presenting difficulties to small business

To encourage and facilitate the establishment of employer-sponsored child day care centers, the department shall allow for reasonable waivers of those regulations presenting difficulties to small businesses for licensure, provided that the health and safety of all children is maintained and that the applicant has agreed to alternative methods of meeting the purpose and intent of any regulation waived.

Business and Professions Code

§ 1241. Blood Glucose Testing

(a) This chapter applies to all clinical laboratories in California or receiving biological specimens originating in California for the purpose of performing a clinical laboratory test or examination, and to all persons performing clinical laboratory tests or examinations or engaging in clinical laboratory practice in California or on biological specimens originating in California, except as provided in subdivision (b).

(3) Those that perform clinical laboratory tests or examinations for forensic purposes only.

(4) Those that perform clinical laboratory tests or examinations for research and teaching purposes only and do not report or use patient-specific results for the diagnosis, prevention, or treatment of any disease or impairment of, or for the assessment of the health of, an individual.

(5) Those that perform clinical laboratory tests or examinations certified by the National Institutes on Drug Abuse only for those certified tests or examinations. However, all other clinical laboratory tests or examinations conducted by the laboratory are subject to this chapter.

(6) Those that register with the State Department of Health Services pursuant to subdivision (c) to perform blood glucose testing for the purposes of monitoring a minor child diagnosed with diabetes if the person performing the test has been entrusted with the care and control of the child by the child's parent or legal guardian and provided that all of the following occur:

(A) The blood glucose monitoring test is performed with a blood glucose monitoring instrument that has been approved by the federal Food and Drug Administration for sale over the counter to the public without a prescription.

(B) The person has been provided written instructions by the child's health care provider or an agent of the child's health care provider in accordance with the manufacturer's instructions on the proper use of the monitoring instrument and the handling of any lancets, test strips, cotton balls, or other items used during the process of conducting a blood glucose test.

(C) The person, receiving written authorization from the minor's parent or legal guardian, complies with written instructions from the child's health care provider, or an agent of the child's health care provider, regarding the performance of the test and the operation of the blood glucose monitoring instrument, including how to determine if the results are within the normal or therapeutic range for the child, and any restriction on activities or diet that may be necessary.

D) The person complies with specific written instructions from the child's health care provider or an agent of the child's health care provider regarding the identification of symptoms

of hypoglycemia or hyperglycemia, and actions to be taken when results are not within the normal or therapeutic range for the child. The instructions shall also contain the telephone number of the child's health care provider and the telephone number of the child's parent or legal guardian.

(E) The person records the results of the blood glucose tests and provides them to the child's parent or legal guardian on a daily basis.

(F) The person complies with universal precautions when performing the testing and posts a list of the universal precautions in a prominent place within the proximity where the test is conducted.

(7) Those individuals who perform clinical laboratory tests or examinations, approved by the federal Food and Drug Administration for sale to the public without a prescription in the form of an over-the-counter test kit, on their own bodies or on their minor children or legal wards.

(8) Those certified emergency medical technicians and licensed paramedics providing basic life support services or advanced life support services as defined in Section 1797.52 of the Health and Safety Code who perform only blood glucose tests that are classified as waived clinical laboratory tests under CLIA, if the provider of those services obtains a valid certificate of waiver and complies with all other requirements for the performance of waived clinical laboratory tests under applicable federal regulations.

(c) Any place where blood glucose testing is performed pursuant to paragraph (6) of subdivision (b) shall register by notifying the State Department of Health Services in writing no later than 30 days after testing has commenced. Registrants pursuant to this subdivision shall not be required to pay any registration or renewal fees nor shall they be subject to routine inspection by the State Department of Health Services.
